**Your donation
changes lives**

Your donation changes lives

The income Mission Care receives from care fees and other non-voluntary sources helps maintain a quality level of care for our residents. However, the generosity of additional, voluntary, financial support makes a big difference, enabling us to offer better services and activities which further enrich our residents' lives.

As well as specific projects, some of the ways we use the donations we receive, include purchasing additional reminiscence equipment and introducing additional expert tutors to activity sessions. These things enhance our residents' daily lives. The donations we receive also contribute to our Activities and Pastoral Teams in many other ways.

How can I give?

There are a variety of ways you can support us financially. This may be through a regular or one off gift, hosting a fundraising event or by remembering Mission Care in your will.

To make a regular or one off donation, you can send us a cheque made payable to Mission Care or set up a payment by direct debit. You could also give online through Virgin Money Giving which can be accessed from our website or by texting FOMC00 followed by your amount to 70070.

Whilst we would love to hear from you so that we can say thank you, you are welcome to make an anonymous donation if you wish. We have included our bank transfer details on the back of this insert so that you can do this. Please include GIFT as the reference.

If you would like to raise money by hosting a fundraising event, please do let us know so that we can support you to make it a success.

We also work in partnership with the Vuyirolu project who provide care to the destitute and elderly in Chennai. Please do let us know if you would like to donate to support their work. You can find out more about the project by visiting their website (www.vuyirolu.org).

What's next?

If you feel you would like to support us in this way, we would love to hear from you. Please also be assured that your donation will always be put to best use to benefit the lives of our residents.

To make or set up a donation, you can either collect the forms you need from a member of the Business Support Team in one of our homes or download them from our website. Alternatively, do get in touch and we will send you all the information you need.

We look forward to welcoming you as one of our friends. You can find our contact details on the back of this insert.
