ELMWOOD

BICKLEY, KENT

A care home with nursing
for older people living
with dementia

Elmwood is a purpose-built home, located in a quiet part of Bickley, Kent. We offer a comfortable and loving home, with a high standard of person-centred care to 70 older people living with physical or elderly frail nursing needs.

LIFE AT ELMWOOD

Elmwood exists to serve the care needs of our residents and their families and friends, in a comfortable and loving environment. We encourage independence and freedom of choice, whilst promoting the dignity and individuality of all those in our care.

Care plans are developed for each resident by our nurses, together with our residents and their advocates. We are able to provide advance care planning and palliative care.

Our nurses and carers provide full nursing and clinical care 24 hours a day. They are dedicated to caring for our residents with dignity, respect and compassion and to serving our residents' social, physical, clinical and emotional needs.

OUR STAFF

Our staff are loyal and hardworking, ensuring a strong continuity of care for our residents. All staff complete a thorough induction on commencing work and will continue to receive regular training throughout their career with us.

DINING

All meals are prepared onsite using fresh ingredients. Menus are prepared and updated on a regular basis, in full consultation with our residents and their advocates. We are committed to ensuring that any dietary needs and preferences are met and that varied and nutritional meals are available to suit every cultural and personal choice.

ACCOMMODATION

Our residents' bedrooms are spread across three secure and accessible floors. Each floor benefits from a large, bright lounge and dining area. All bedrooms are large, spacious and well appointed with en-suite facilities and pleasant views onto the front or rear gardens or surrounding residential area.

Whilst all furniture, linen and towels are provided, with rooms presented to a high decorative standard, we encourage our residents to personalise their bedrooms as they wish.

What Happens Next?

We look forward to welcoming you to Elmwood, where we will be pleased to introduce you to our home and care team. We are certain that the high standard of care provided to all of our residents will be evident and very much hope that Elmwood will be your preferred home for nursing care.

When an admission is made, we will arrange for your medical notes and any other relevant documents to be forwarded to us and our Registered Manager will visit you to assess your current and developing nursing needs.
