

Mission Care has had the privilege of providing residential and nursing care to vulnerable adults in South London for over 110 years. Today we have five homes, four in the London Borough of Bromley, and one in Southwark and pride ourselves on providing exceptional person-centered care.

The Pastoral Team provides bible-based pastoral support to residents, relatives and staff. We are looking for a Pastoral Assistant to assist us in the provision of pastoral care through one to one visits, prayer support and bible studies.

This is an exciting opportunity for anyone interested in serving older people and sharing the hope of Christ in a nursing home context.

There is an occupational requirement for the position to be held by an evangelical Christian, in good standing with their local church, who fully accepts and lives by Mission Care's statement of faith.

The position will be offered as a fixed-term contract. We are open to applicants able to work part-time or full-time.

To express an interest in this position, please send your CV and covering letter to recruitment@missioncare.org.uk by 6 September 2019.
